## Music Program for Island Teens

### ♪ Peaks Island Rocks Project

Led by Tom Faux and Brad Burkholder, with the sponsorship of Brackett Memorial UMC, Peaks Island Rocks began at the end of April. The kids who started are still coming back, and they're bringing their friends....a good sign. Young people from ages 12-18 are encouraged to come for two hours once a week to learn to play music. The group meets at Brackett Memorial Fellowship Hall Thursdays from 7:30 to 9:30.

### Help needed for the music program

We really need help obtaining instruments for the kids to play. Some kids have musical instruments, and some do not. If you have an instrument to donate, or have ideas about how to get instruments for this community program, please call Tom Faux at 766-5792.

Tom feels kids this age will want to play the kind of music they enjoy listening to. We think everyone who gets involved in this project will find it of value!

# NEIGHBORHOOD ASSOCIATION NEWS

We reported, somewhat inaccurately, in the last Peaks Island Star that Jerry Garman had donated the information kiosk now being installed at Welch Street and Island Avenue. Actually Jerry collected donations, including his own, and coordinated the construction and installation of the kiosk. We are grateful to all who contributed.

The Peaks Island Neighborhood Association Planning and Land-Use Committee met on May 18 with City of Portland officials Mark Adelson, Housing and Neighborhood Services Director; Mike Nugent, Inspection Services Manager; and Marge Schmuckal, Zoning Administrator. Committee members indicated that they were pleased with recent substantial improvements in the services of the agencies these officials administer and raised questions about remaining shortcomings in their procedures. Possible future building, plumbing, and zoning code changes were suggested by committee members, and the guests gave their opinions on their practicality. The suggestions concerned such topics as preservation of water views in the business district and of environmental quality.

We have learned that the space presently used by the Senior Center will no longer be available. Relocation of Senior Center activities will not be a problem this summer, but decisions will have to be made about permanent facilities for these functions.

The next general meeting of PINA is scheduled for 7:30 p.m., Tuesday, June 15, 1999, at the Community Center. We expect some members of the City Planning Board to be present to discuss its procedures and policies and to answer questions from island residents.

Interested islanders may want to attend meetings of the Mayor's Island Advisory Committee at 4 p.m. on the third Wednesday of each month at the Casco Bay Lines terminal. Representatives of Peaks and other city islands discuss island issues with city officials. All meetings are open to the public.

## PEAKS ISLAND SUMMER CHAPEL SERVICES

Holy Trinity Chapel, a seasonal Episcopal chapel, will begin its 47<sup>th</sup> season on July 4th. Services, including Holy Communion and a homily, are held every Sunday morning at 8 am at the Brackett Memorial United Methodist Church. The Reverend Ed Greene from Bath, Maine will lead the services in July. A pot-luck supper will be held on Saturday, July 3<sup>rd</sup> to welcome Ed back to the Island.

During August, the Reverend Lisa Fischbeck from Durham, North Carolina will lead the services for the first three Sundays and the Reverend Canon Gene Robinson from Concord, New Hampshire for the last two Sundays. A church sale will be held Saturday, August 14<sup>th</sup> at the Community Room from 10:00 to 1:00. This is our only fund raising event.

CASCO BAY GARAGE      54 Commercial Street P.O. Box 7525 Portland, Maine 04112 (207) 761-9591

May 20, 1999

Dear Casco Bay Garage Patrons,

Currently there are over 50 people waiting for year round spaces at the garage. I do not expect any new spaces to be available until after summer.

Bun, our garage manager, would like to remind people to be especially careful when driving around the turns in the garage. The lanes tend to narrow and accidents can happen if drivers are not on the right side.

Please call or email to update information regarding your vehicles, current accounts or waiting lists. Our office is open from 7:30 to 4:30, or you can leave a message and I will get back to you as soon as possible.

## THE CITY PAGE

Larry Mead, Island Services Administrator: 756-8288

### DEER VOTE RESULTS: WHAT'S NEXT?

The Peaks Island community expressed its wishes clearly in the May 5th vote on a sharpshooter reduction program of the deer herd. The final tally was 73% in favor of a sharpshooter program, 37% opposed. Both registered voters and island property owners strongly supported reducing the deer population.

	YES	NO
Registered voters	304	178
Property owners	<u>492</u>	<u>120</u>
TOTAL	796	298

Staff will bring to the City Council either this summer or early fall an order authorizing a sharpshooter program to begin sometime during the coming fall/winter season. The City Council must give its approval. In addition the State Department of Inland Fisheries and Wildlife must authorize the program, because the state has jurisdiction over deer populations. Prior to a reduction beginning City and State staff will develop a recommended management program for the island deer population in the future, after a reduction in the herd has taken place. There must be a method of population control in place in order to insure that the number of deer on the island does not grow beyond a reasonable number again. A draft deer management recommendation will be presented at a public meeting on the island this summer.

### PRELIMINARY ENGINEERING WORK ON SEWER EXTENSION BEGUN

The Portland Water District has hired Woodard and Curran, an engineering firm, to develop a preliminary engineering study of the extension of sewer service to the Torrington Point area. This is in response to a petition for service submitted by over 70 homeowners in the vicinity of Whitehead, Seashore, Oakland, and Ryefield Streets. The study will provide information on potential costs, existing soil conditions, and project scope. Two public meetings will be held on the island to present findings and obtain input from island residents, one in July and one in August. After the study is complete the Water District would provide a recommendation to the City on extension of the sewer. It would then be up to the City Council to decide whether to fund any portion of sewer extension in the Torrington Point area. Should the Council give its approval, construction work would not begin until the 2000 construction season at the earliest.

### TRANSFER STATION WORK TO BE BID

Preliminary clearing and grading work at the new Transfer Station site has been completed. The City will put the construction of the facility out to bid in June. The states continued economic growth has kept contractors extremely busy. As a result the construction of the facility is not expected to begin until the fall with completion either in late fall or winter.

An important message from Portland Parks and Recreation:

As of June 1, the Peaks Island Senior Center will no longer be available as a center/meeting place. The owner will be renovating the facility for his business. Through the cooperation of a variety of island organizations, everyone who was using the facility has found a new home. Special thanks go to Brackett Memorial Church, Peaks Island Child Development Center, Peaks Island Health Center and the Lions Club for sharing their spaces with the community. A BIG thank you goes to everyone who helped make the physical move so easy! If you have any questions, please leave a message for Denise at 766-2970.

SENIOR CITIZENS NEWS

The Senior Citizens welcomed the Spring Season in May with a delicious pot-lunch at the Fifth Maine.

After dining, the new slate of officers was voted in--  
President - Bob Cary; Vice President, Ray Schneider; Treasurer Nick Broadwater; Secretary, Virginia Paton.

Special thanks were given to Grace Wright for her great organizational work, these past three years.

Tom Quigg continues his reliable work doing the Meals On Wheels with his faithful helpers.

Our June meeting will be lunch at Jones Landing on June 14 at noon. The Falmouth Seniors will join us and afterward be taken for a ride around the island. If any Seniors haven't signed up, get in touch with Grace Wright (766-2635) PDQ.

Big things are being lined up for the summer, so you'll be glad if you become one of us.

## UMBRELLA COVER MUSEUM OPENS 4th SEASON

Against all bets and odds, the Umbrella Cover Museum will be open for its fourth season this summer. Opening dates are Saturday, June 19 & Sunday, June 20 from noon to 5:00 p.m. To encourage visitations, the museum will also be opened on July 10 & 11, and August 14 & 15, twice as many dates as last year. Among the highlights of this year's exhibit will be "People and Their Covers", and "New Umbrella Cover Fashions." The museum sports over 150 umbrella sleeves from 12 or so countries. It has to be seen to be believed.

The museum is at Tower View, 105 Brackett Ave. Refreshments will be served and music provided. Admission is by foreign currency. A \$2.00 U.S. donation is also requested. The UCM is also open by appointment. Call Director and Curator, Nancy 3. at 766-4496.

## PEAKS ISLAND MUSIC ASSOCIATION Summer Season

The Peaks Island Music Association will present another exciting and varied season of concerts this summer for Island residents. Our first concert will be on Wednesday, July 7 at 8 p.m. The Portland Opera Repertory Theater, Young Artists are back by popular demand for their third year of exquisite opera scenes sung by the rising stars of the opera world. The following concerts will be on Wednesdays, July 21, August 4th and 18th. They will include The Casco Bay Tumblers, klezmer band, a concert of island children and grandchildren, and special guest artists to be announced. All concerts take place at 8:00 p.m. at the Fifth Maine Community Center. A donation is requested at the door. Mark your calendars, and watch for more details on performances in upcoming STARS and on island posters.

### AN EVENING WITH TIM SAMPLE

Enjoy a very special evening at the Trefethen Evergreen Improvement Association Clubhouse, listening to "Maine Native" Tim Sample entertain us with his stories about Maine life and lore. Tim Sample is regularly seen on CBS' Sunday Morning Show. Mark your calendar and invite your friends to come to T.E.I.A. on Saturday, July 17th at 8 PM. Tickets at \$15. may be obtained from Stephanie Castle, 766-2254, or at the Seagull Cottage at T.E.I.A.

## Health Center Thanks United Way Volunteers...

An industrious group of volunteers from Cole-Haan spent a day in May at our Health Center putting a fresh coat of paint on walls, doors and cupboards. We were pleased to be included in the "Day of Caring", and on behalf of Chris and her staff, the Health Center Board and the Peaks Island community, we want to publicly thank both United Way and "our" Cole-Haan volunteers.

We were delighted to attend the Foster Grandparent Annual Recognition Banquet, held at the Holiday Inn. Peggy Butkus has spent eight years as a Foster Grandparent with our program and Virginia Home has completed her first year with the Peaks Island Elementary School. Thank you for making a difference in our lives!

Another thanks to the volunteers who participated in United Way's Day of Caring..we were able to get a new supply of woodchips spread and a fresh coat of paint on our doors. The volunteers were from UNUM and Fairchild Semiconductor. It was especially fun to reconnect with one volunteer, Deanna Dennison, who grew up on the island and was a center alumni! We are a United Way member agency and greatly appreciate both the monetary, volunteer, and emotional support this brings to our community program.

PLAYGROUP continues through mid June..then there will be a summer break. June dates are:  
JUNE 3, 10, 17...Wednesdays from 10:15-11AM..a time for infants/toddlers/parents/caregivers to come and enjoy our playspace. Drop In...no fee or registration involved.

Please be sure to give a call for more information about our year round child care programs.

### Peaks Island Elementary School

Congratulations to fifth grade students, Charley Friedman, Spencer Hawkes, Sophie Presgraves and Ben Richards who received first prize in the state of Maine Fifth Grade Thinking Cap Bowl. Their well earned trophy is on display at the school.

All are welcome to attend a concert with the Peaks Island and Longfellow schools choruses in the school gym on Tuesday, June 1st at 1:30.

On June 9, the Peaks Island, Cliff Island and Long Island schools will meet with our business partners, the U.S. Coast Guard at Fort Williams Park in Cape Elizabeth for our annual picnic.

Wendy Litchfield, Martha Gross and Roberta Deane, first/second, fourth and fifth grade teachers, respectively, received a Reach-Out grant from the Portland Partnership. Their project "Helping Hands" provided clay to the students to make soup bowls with art teacher Robert Auclair. The bowls with soup recipes included, will be on sale to the community and proceeds will benefit the Wayside Soup Kitchen. Also, the first, second and fifth graders visited Maine Wildlife Park, in Gray, on May 27.

Heidi Farr's third graders wrote and directed a play derived from the book *the Fantastic Mr. Fox* by Roald Dahl. The daycare and fourth graders were treated to their performance. Heidi Farr and several student volunteers helped at the Wayside Soup Kitchen in Portland.

Fourth graders took extended classes in masonry, plumbing, electricity, carpentry, graphic arts and horticulture at the Portland Arts and Technology High School over the past winter. Fourth graders also visited the Fifth of Maine on May 13 along with their penpals from Riverton School's English as a Second Language classes.

Fifth graders participated in Southern Maine Children's Water Festival at the University of New England, Westbrook College campus in Portland on May 12.

Many thanks go to our reading mentors: Priscilla Webster, Connie Hurley, John and Annie Romanyshyn, Dorothy Morris, Linda Dillingham, Robin Clark and Sam McCain, who spend one on one time reading with children.

Lisa Ricker, the kindergarten teacher, gave birth to a healthy baby girl, Hannah, on May 10.

The last day of school for the students is June 18. Happy summer to all!
